Description:

Nothing creates a more exciting holiday decoration display than projected images! High quality projector showers your home with dynamic snowflakes. Ideal for Halloween, Christmas, Valentine's Day, St Patrick's Day, Weddings, Prom and more Perfect for the holiday season, use on your house, Trees, Garage door or shrubbery and much more, Creates an instant atmosphere for parties and entertaining.

Features:

1. Easy assembly - sets up in just seconds
2. Waterproof design, easy for yard decorating- set it up in a few minutes.
3. Indoor or outdoor are available. Safety for your eyes, each point contains poor laser light (low brightness each point).
4. Creates the magical illusion of thousands of falling colourful snowflakes that adds dynamic movement to your outdoor holiday display.
5. Durable, even in very cold days, it could work well. Low voltage products, is much safer than other outdoor lights.
6. Amazing beam pattern LED party stage light, auto rotating and cute lighting effects.
7. Easy to operate, mounting bracket design for adjusting lighting angle. Widely used in disco, clubs, KTV, pub, bar, banquet, weddings, family parties.
